Project Description

According to bank documents, the project aims to provide improved sanitation services in select areas of Dhaka city. It will support the DWASA to implement the first phase of the Sewerage Master Plan. The master plan divides Dhaka into 7 catchments. It also provides a phased investment plan. The first phase includes the Pagla wastewater treatment plant; the eastern trunk main from Madhubag to Pagla, and investments for improved containment, transportation and treatment of fecal sludge where sewerage cannot be extended.
