Mobilize Domestic Revenues by Strengthening Tax Systems as Development Tools and Building

### **Project Description**

The stated objective of this project is to support policy-makers to make informed decisions to mobilize domestic revenues. Key Results include

- 1) Enhanced information management systems;
- 2) Tax Intelligence Unit and Market Monitoring and Intervention Unit set up, and
- 3) Analytical reports produced on a regular basis for decision-making.

According to project documents, Component 1 of the project is the updating of the Tax Administration data center to strengthen FBRs Capacity in IT. The project will update the Data Centers, including Storage, Servers and Network Equipment, and support the implementation of the change management program.

### **Contact Information**

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
