Project Description

According to WB website, the project aims to increase coastal and marine fisheries' contribution to the economy, poverty reduction, and environmental stability. The proposed PDO of the first project under the series (phase one) is to improve management of coastal and marine fisheries and aquaculture. There are four components to the project:

1. Enabling Activities for Sustainable Fisheries Sector Investments and Growth

2. Improving Infrastructure and Production Practices

3. Community Empowerment and Livelihoods
4. Project Management and Monitoring

Investment Description

- World Bank (WB)

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
