Project Description

The Project Development Objective is to provide short-term employment and access to selected basic services to the most vulnerable; and preserve existing implementation capacity of two service delivery programs.

This Project has several components:

Component: Labor Intensive Works and Improving Community Services. The overall objectives of the component are to (a) provide income support to targeted communities through temporary employment opportunities, (b) increase the productive assets and means of livelihood of beneficiary households and communities and improve access to community and social services, and (c) preserve the implementation capacity of the SFD and PWP, as key national service delivery programs.

Component: Project Management and Monitoring
This component will support project management and monitoring and evaluation (M&E) to ensure that the project is successfully and efficiently implemented in conformity with the Project Paper and the Disbursement Agreement. The component will finance: (a) the UNDP's general management support (indirect) costs; (b) direct project management and supervision costs required to support implementation of the project; (c) costs of a third-party monitoring (TPM) agency; and (d) project evaluation.

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
