Project Description

According to the bank documents, the project objective is "to provide safe, resilient, and cost-effective bridges on Nepal's Strategic Roads Network. The project is a 'hybrid' operation, which includes both Program-for-Results (PforR) and Investment Project Financing (IPF) components. Developing and/or maintaining bridge infrastructure in the Strategic Roads Network under the Bridge Branch, as set forth in the Bridge Policy and Strategy, including: (a) providing road safety upgrades on existing bridges; (b) constructing new bridges; (c) completing bridges under construction; (d) major bridge maintenance; and (e) carrying out bridge designs, site assessments, feasibility studies, quality monitoring,environmental and social impact management, and providing logistics support, for the Program, as required for the preparation and supervision of civil works."

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx .
