Project Description

The aim of Liberia Rising 2030 is to transform Liberia into a more prosperous and inclusive society and to achie ve middle income country status by 2030. Liberia’s primary development challenges relate to sustaining the peace, achieving economic transformation, human development and improving governance and public institutions.

Specifically, the objectives of the PRSDPO-IV are to:

(i) strengthen governance with particular emphasis on transparency and accountability as well as budget execution and oversight;
(ii) address key constraints to growth, including electricity; and
(iii) improve human capital development parti cularly through improved access to education and health. The objectives of the proposed operation remain relevant in the wake of the Ebola and commodity price crises and in fact proposed reforms are intended to build resilience to such shocks in the future.

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
