Project Description

This project provides financing to build on the World Bank's existing projects in Uzbekistan's water supply and sanitation sector, improve the water supply and sanitation services in selected provinces, and strengthen institutional capacity for improved service delivery.

Components include improving sector policy and institutional architecture, improving energy efficiency, strengthening institutional capacity, and constructing water supply production, transmission, and distribution facilities, in addition to sewerage collection, treatment, and disposal facilities. According to Bank documents, the first three sub-projects identified are:

- Reconstruction and expansion of sewerage systems in Nukus, Takhiatash, Khodjeyli and Kungrad in Karakalpakstan
- Improving water supply in Syrdarya, Gulistan and Saykhunabad districts and Yangiyer town in Syrdarya region
- Reconstruction of water supply and sewerage systems in Kattakurgan town in the Samarkand region

Investment Description

- World Bank (WB)

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
