Project Description

The development objective of Social Protection and Skills Development Project for São Tomé and Príncipe (STP) is to support the development of an effective national safety net system for poor households and inclusive and labor market relevant skills development programs. The first component, Institutional and Capacity Strengthening, aims to strengthen the capacity of ministerial staff and institutions responsible for activities in the social protection and skills development sectors. The second component, Vulnerable Families Program Conditional Cash Transfer, aims to increase income and consumption of poor households participating in the Vulnerable Families Program (VFP) in STP, through the provision of regular cash transfers and accompanying measures including a PEP and skills training opportunities under the project. The third component, Employability of TVET graduates and youth, aims to support the development and delivery of quality training programs in STP, with a specific emphasis on skills development needs in the Tourism sector and developing entrepreneurial skills. The fourth component, Project Implementation Support, aims to directly finance the costs associated with the fiduciary management of the project and the staff required to oversee coordination across ministries and project Monitoring

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
