Project Description

The proposed project will support the establishment of the Iraq Social Fund for Development (SFD) and provide support to targeted communities to improve access to basic services and employment opportunities. The project will aim to increase participatory planning, management and delivery of public infrastructure services to targeted communities.

This will be achieved through:

1. **Financing Community Sub-projects:** The objective of this component is to improve access of communities to basic social services. It will finance subprojects at the local level, that consist of basic services that represent priority investments identified by the community.
2. **Supporting Microfinance Systems Strengthening:** The objective of this component is to support the establishment of the overall MSE program of SFD through technical assistance and capacity building activities.
3. **Capacity Building and Institutional Development:** This component will provide overall implementation and project management support for the duration of the project, to the establishment and operation of the SFD.

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
