Project Description

The development objective of the Revitalizing Education Development in Sierra Leone (REDiSL) Project for Sierra Leone is to improve the learning environment in targeted schools and establish systems for monitoring of education interventions and outcomes—is achieved more fully. The proposed AF will support: (a) scaling up of performance-based school grants; (b) increased technical assistance (TA) to the Teaching Service Commission (TSC) to execute its statutory mandate; (c) implementation of the 2018 Annual School Census (ASC); and (d) associated project management and supervision. Relevant modifications will be made to the Results Framework (RF), component costs, disbursement arrangements and estimates, and implementation schedule. Implementation and financial management (FM) arrangements for performance-based school grants have also been updated. This Project Paper seeks the approval of the Executive Directors to provide an Additional Financing (AF) credit in the amount of SDR 7.3 million (USD 10 million equivalent) from IDA to the Project. The parent project is funded by grants from the Global Partnership for Education (GPE) (in the amount of USD 17.9 million), U.K. Department for International Development (DFID) through the Multi-donor Trust Fund (MDTF) (in the amount of USD 2.46 million),¹ and the Ebola Recovery and Reconstruction Trust Fund (ERRTF) (in the amount of USD 0.95 million). The REDiSL Project is currently scheduled to close on December 31, 2017.
