## Project Description

This program document presents a supplemental financing to the Third Poverty Reduction Support Development Policy Operation (PRSDPO-III) to the Republic of Liberia in amount of special drawing rights (SDR) 4.8 million in International Development Association (IDA) grants and of SDR4.1 million in International Development Association (IDA) credits, and of United States (U.S.) 4,366,500 dollars in grants from the Liberia forest landscape single donor trust fund.
