Quick Facts

Countries	Pakistan
Specific Location	Khyber Pakhthunkhwa
Financial Institutions	World Bank (WB)
Status	Proposed
Bank Risk Rating	A
Voting Date	2019-02-20
Borrower	Government of Pakistan
Sectors	Agriculture and Forestry, Water and Sanitation
Investment Amount (USD)	\$ 165.00 million
Project Cost (USD)	\$ 183.00 million

Project Description

According to the bank document, "the project will contribute to the development of the agriculture sector by working on (1) water as an important input and limiting factor to productivity and overall production (2) training and technology for improving productivity, post-harvest management and value addition. More specifically, it will support six key priority areas of the government strategy for the sector, that is, improving performance/functionality of the delivery system and reducing water wastages; making water allocation/distribution equitable; increasing financial sustainability of the irrigation system management; increasing climate resilience; increasing productivity and promoting high value agriculture (production, processing and marketing); and strengthening the department for improved service delivery and governance."

Investment Description

- World Bank (WB)

Co-financing:

Counterpart Funding US\$ 18 million

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at:

<http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx>.
