Project Description

The project objective is to enhance quality and strengthen stewardship of the general education system. The project will help the government to modernize the primary and secondary education system in line with international developments in middle-income and high-income education systems. The Project will build on the current Bank Transforming School Education Project (TSEP) to broaden and deepen the Bank's assistance for the general education sector. The project will be organized into two components, as outlined below. The Bank's engagement will be broadened through support for new and innovative education development initiatives. The Bank's engagement will be deepened through assistance to strengthen and scale up initiatives that have been successful in the past. These are summarized in Box one below, after the description of the Project.

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
