Project Description

According to IFC website, the objective of the Additional Financing for the Health Governance and Nutrition Development Project for Lao People's Democratic Republic is to help increase coverage of reproductive, maternal and child health, and nutrition services in target areas in Lao PDR. The Additional Financing (AF) from IDA, the MDTF-IDFHP, and the PHRD will help finance the costs associated with additional and expanded scope of activities to scale up the impact and development effectiveness of the original project. It will also improve the prospect that key programs and interventions currently supported under the HGNDP will be sustained. The AF will continue to support improvement of coverage of reproductive, maternal and child health (MCH), and nutrition services.

The project has the following components:
1. Health Sector Governance Reform
2. Service Delivery
3. Nutrition Soial and Behavior Change Communication
4. Project Management, Monitoring and Evaluation
