### Project Description

The Second Logistics Reform Development Policy Loan Project for Indonesia is to reduce the costs and improve the reliability of the logistics chain in Indonesia. It comprises of three pillars with the following PDOs:

- 1) Pillar A: Enhancing the ports' performance;
- 2) Pillar B: Improving logistics services; and
- 3) Pillar C: Strengthening trade processing.

This second operation in the DPL series builds on the first operation to support the government's overall objective to reduce the costs and improve the reliability of the logistics chain in Indonesia.
