Project Description

This project is the first in a programmatic series of three operations that aim to strengthen policy framework to improve fiscal management and enhance policies to promote private sector employment opportunities in Bhutan.

The proposed operations are structured around two pillars:

A) The first pillar focuses on actions that strengthen macroeconomic management, domestic resource mobilization and public financial management.

B) The second pillar seeks to increase access to finance for micro, small and medium enterprises.

According to website of the World Bank, the proposed objective of the porject is to safeguard fiscal sustainability and strengthen private sector’s ability to generate employment opportunities.

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
