Project Description

The development objective of Higher Education Support Project for Burkina Faso is to strengthen higher education institutions to increase access and deliver quality education in priority subject areas. The project comprises three components. 1) The first component, Enhancing Access to Higher Education: Establishment of the Virtual University of Burkina Faso (UV-BF) aims to diversify higher education delivery models and transform access to quality and innovative higher education in line with the priorities and transformation needs of the economy by supporting the establishment of an autonomous UV-BF in Ouagadougou. 2) The second component, Strengthening Higher Education Institutions (HEI) and Supporting Innovations, aims to improve the quality and increase the relevance of priority programs by supporting the implementation of a set of improved labor market-oriented academic programs. It has the following subcomponents: (i) Support a Competitive Grants Program; (ii) Support Faculty Development in HEIs; (iii) Strengthening Quality Assurance in HEIs; and (iv) Strengthening the Management Capacity of HEIs. 3) The third component, Project Coordination, Management, and Implementation Activities, aims to strengthen (a) the governance and management of higher education and (b) the capacity of the Permanent Secretariat of the National Plan for the Development of Higher Education (Plan National d'Action de Développement de l'Enseignement Supérieur, PNADES) to undertake the tasks required to implement the Project.
