Quick Facts

Countries	Ghana
Financial Institutions	World Bank (WB)
Status	Active
Bank Risk Rating	B
Voting Date	2018-09-25
Borrower	REPUBLIC OF GHANA
Sectors	Technical Cooperation
Investment Amount (USD)	$ 100.00 million
Project Cost (USD)	$ 261.00 million

Project Description

The development objective of the Secondary Cities Support Program Project for Ghana is to improve urban management and basic urban services in participating municipal assemblies (MAs). The program will constitute a slice of the government's broader decentralization support program (the responsiveness factor grant (RFG) and its associated district performance assessment tool (DPAT)), specifically focusing on MAs that manage urban development in secondary cities. The program will have three windows: (i) local window, (ii) regional window, and (iii) national window. Access to the program's Urban Development Grants (UDGs) will be conditional upon MAs complying with RFG and DPAT minimum conditions and obtaining a performance measure score that is equal to or above the national average. The program boundary of the eligible MAs under the program has been determined based on a two-stage approach. The first stage is to agree on a set of criteria which must be met by an MA before it becomes eligible to benefit from the program, and second to screen all the MAs using the same criteria and identify those that meet all the said criteria.

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
