Project Description

The project objectives are to simplify business regulations, facilitate trade, and improve firm-level competitiveness. There are four components to the project as

The first component is improving the business environment by improving the transparency and efficiency of the general business environment and to reduce the costs it currently imposes on all enterprises, and SMEs.

The second component is the facilitating trade and connecting to markets. This component is designed to support the Government of Lao PDR in implementing the provisions of the WTO TFA.20

The third component is the improving firm-level competitiveness, which will be implemented through component C.1 (Business Assistance Facility).

Finally, the fourth component is the supporting better and more Inclusive Policies will support effective project implementation, monitoring, and evaluation, and improved economic analysis policymaking.

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org.

You can learn more about the Inspection Panel and how to file a complaint at:

<http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx>.
