Bank Risk Rating	B
Voting Date	2018-08-30
Borrower	United Republic of Tanzania
Sectors	Agriculture and Forestry
Investment Amount (USD)	\$ 75.00 million
Project Cost (USD)	\$ 75.00 million

Project Description

The government of Tanzania has an overall program for land administration and strengthening tenure security estimated at US\$ 300 million. The project objective is to increase security of land rights and efficiency in land administration so as to promote land based investments for social economic development in both urban and rural areas. The proposed specific development objective (PDO) for this Project would be to strengthen the land administration system and increase tenure security in both urban and rural areas.

Investment Description

- World Bank (WB)

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org.

You can learn more about the Inspection Panel and how to file a complaint at:

<http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx>.
