Project Cost (USD)	\$ 54.40 million

Project Description

The development objectives of Emergency Safety Nets Project (Jigisemejiri) for Mali are to increase access to targeted cash transfers for poor and vulnerable households and build an adaptive national safety net system in Recipient's territory. This restructuring requires the Second Additional Financing (AF2) to include scale-up of existing project activities, extension of the closing date to September 30, 2019, changes to components and cost, change in safeguards policies triggered, change in environmental assessment category and revision of the Results Framework.

Investment Description

- World Bank (WB)

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at:

<http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx>.
