WB-P165249

Project Description

The project aims to "improve the condition, safety and climate resilience of selected national road corridors in Cambodia and to provide immediate and effective response in case of an Eligible Crisis or Emergency." The project includes the systematic introduction of designs that include climate proofing and road safety measures and the use of performance based contracts; and enhancing Ministry of Public Works and Transport's capacity to carry out road maintenance planning, contracting and management.

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at:

http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx .
