Project Description

The proposed objective of the project 'Punjab Green Development Program' is to strengthen environmental governance and promote green investments in Punjab. According to website of the World Bank, the Program will cover two results areas:

(a) Strengthening environmental governance: The results area will aims to restructure the provincial Environmental Protection Department(EPD), reforming the environmental regulatory regimes, and building the EPD’s capacity to deliver transparent and efficient environmental management services to both public and private sectors.

(b) Promoting green investments: The second results area aims to promote green investments in both the public and private sectors and developing green financing schemes to finance such investments beyond the implementation period of this Program.

Investment Description

- World Bank (WB)

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
