Investment Amount (USD)	$ 500.00 million
Project Cost (USD)	$ 1,000.00 million

Project Description

The porposed objective of the project is to strengthen the systems and processes of the national 'The Prime Minister’s Rural Roads Program' (PMGSY) for the expansion and maintenance of rural access roads.

The Additional Financing will fund the Original Project's two components as follows:

Component A: PMGSY Program Financing - This component finances Green and Climate Resilient Rural Roads, Pilot Projects to Introduce New Technologies and support civil works for Rural Roads under the Original Project.

Component B: Technical Assistance - This component will support technical assistance (mostly services, goods, and operating expenses) in the entire PMGSY Program to support asset management, institutional, investment and development effectiveness.

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
