Project Description

The proposed operation is the first in a series of two operations. The series builds on three pillars of policy reforms. The first pillar supports the Bank of Guyana's (BOG's) ability to manage financial stress including establishing a deposit insurance scheme. The second pillar supports both regulatory reform for the insurance sector as well as domestic and international payment transactions. The third pillar supports stronger fiscal management through a sovereign wealth fund (SWF) for intergenerational savings, better debt management, and improved public investment management.

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
