Early Warning System

WB-P165442

Additional Financing for Zambia Strengthening Climate Resilience (PPCR Phase II)

Quick Facts

Countries	Zambia
Financial Institutions	World Bank (WB)
Status	Approved
Bank Risk Rating	B
Voting Date	2018-06-18
Borrower	Republic of Zambia
Sectors	Climate and Environment
Project Cost (USD)	$ 14.60 million

Project Description

According to WB documents, the development objective of the project is to strengthen Zambia's institutional framework for climate resilience and improve the adaptive capacity of vulnerable communities in the Barotse sub-basin. The project involves three components:

1. Strategic National Program Support
2. Support to Participatory Adaptation, through strengthening of the adaptive capacity of vulnerable rural communities in the Barotse sub-basin.
3. Pilot Participatory Adaptation, through the funding of actual participatory adaptation investments in the Barotse sub-basin

Investment Description

- World Bank (WB)
