Quick Facts

Countries	India
Financial Institutions	World Bank (WB)
Status	Active
Bank Risk Rating	B
Voting Date	2018-05-17
Borrower	Government of Republic of India
Sectors	Energy
Investment Type(s)	Guarantee
Investment Amount (USD)	\$ 80.00 million
Project Cost (USD)	\$ 1,348.00 million

Project Description

According to website of the World Bank, the proposed project would support 'Energy Efficiency Services Limited (EESL)' for Energy Efficiency (EE) market transformation in India. The operation is primarily focused on scaling up deployment of energy efficient appliances and equipment in the residential and public sectors. The project objectives are to a) scale up energy savings in residential and public sectors, b) strengthen EESL's institutional capacity, and c) enhance its access to commercial financing.

Following are the four results areas covered under this program:

- (i) Results Area 1: Energy savings and EE market transformation in the residential sector
- (ii) Results Area 2: Energy savings and EE market transformation in public street lighting
- (iii) Results Area 3: Development of sustainable business models in new EE market segments
- (iv) Results Area 4: Institutional strengthening for sustainable EE scale-up

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org.

You can learn more about the Inspection Panel and how to file a complaint at:

<http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx>.
