Project Description

The project will target Dominica, Grenada, St. Lucia, and St. Vincent and Grenadines and aims to “improve public investment and public procurement management systems and the enabling environment for open data and digital governance.” This includes the establishment of a public portal for the Public Procurement Network, and online knowledge sharing.

The project also includes a component in Jamaica to promote open data and digital governance and support for the Open Data portal.

Investment Description

- World Bank (WB)

Financed by the U.K. Department for International Development (DFID).

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
