### **Project Description**

The grant in the amount of SDR 28.7 (US dollar 40 million equivalent) Development Policy Financing (DPF) is the second in a programmatic series of two operations. The series seeks to support the Government of Togo in: (i) mobilizing tax revenues and enhancing the efficiency of tax collection, public investment spending, and debt management; and (ii) strengthening financial viability and service delivery in the energy and ICT sectors. The DPF series rests on two pillars. The first pillar supports the government's effort to improve fiscal management through enhancing tax revenue mobilization and collection efficiency. It also seeks to strengthen public investment and debt management. The second pillar supports measures to improve financial viability and service delivery in the energy and ICT sectors.
