Project Description

According to the bank, the objective of the Health System Strengthening Project for Saint Lucia is to improve the accessibility, efficiency, and responsiveness of key health services. The project comprises of four components. The first component, design and implementation of an essential benefits package focuses on the demand side and includes the review of the design and implementation of the benefits package, including administration, purchasing and contracting arrangements, regulations surrounding the scheme, and potential sources of additional revenue for expanding health service coverage.

Investment Description

- World Bank (WB)

Contact Information

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
