## Project Description

The objectives of the project are:

i. To strengthen Local Governments' performance to deliver municipal infrastructure, and
ii. To improve access to services in targeted disadvantaged neighborhoods.

This program seeks the approval to provide an additional loan in an amount of Euro 107.5 million (USD 130 million equivalent) to the Tunisia Urban Development and Local Governance Program. The parent EUR 217 million loan (USD 300 million equivalent) was approved on July 24, 2014.The proposed Additional Financing will continue to support the decentralization program of the Government of Tunisia (GoT) that was initiated under the parent project.The project will be subject to level two restructuring which includes the following changes financed through additional financing:

i. adding one Disbursement-Linked Indicator (DLI 9) and revising other DLIs to address institutional constraints to achieving results;
ii. better alignment of the grant system and approach to upgrading disadvantaged neighborhoods with the next phase of decentralization reforms;
iii. broadening and deepening the institutional development and capacity building activities, including Human Resource Management, transparency and accountability, public financial management and procurement;
iv. revising the Results Framework to capture scaled-up results;
v. modifying the Program Action Plan; and
vi. extending the parent loan closing date to June 30, 2023.
