Nepal: Additional Financing for School Sector Development Program

Project Description

According to bank documents, the Additional Finance will entail adding selected new DLRs and introducing a new DLI within the existing program boundary. The proposed AF will be for a three-year operation (2018-2021) and the design willbe aligned with SSDP Program Result Framework (PRF) targets and GPE strategic goals of quality, equity, and efficiency. Moreover, it would be directly tied to activities related to LGs in quality service delivery with a view to protect and enhance education service delivery during the ongoing federal transition.
