Investment Amount (USD)	\$ 300.00 million
Project Cost (USD)	\$ 300.00 million

---

## Project Description

According to the bank document, the objective of this operation is to support the fiscal sector reforms that will support the Government of Indonesia (GOI) to achieve its medium-term economic development and poverty reduction goals.

The operation aims to do so through supporting reforms in three key policy areas:

1. Revenue Policy - Improving revenue potential by broadening the tax base, simplifying structures and optimizing tax rates;
2. Revenue Administration - Improving revenue collection by strengthening compliance enforcement and lowering compliance costs; and
3. Quality of Spending - Improving the efficiency and effectiveness of public expenditure.

In doing so it is part of the World Bank Group's overall support to the Government's efforts to improve revenue collection and quality of spending, which are central to its overall development agenda.

## ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing [ipanel@worldbank.org](mailto:ipanel@worldbank.org). You can learn more about the Inspection Panel and how to file a complaint at: <http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx>.
