Project Description

According to the bank website,"the proposed Additional Financing (AF) of US$105 million International Bank for Reconstruction and Development (IBRD) Loan has been requested by the state government of UP through the Department of Economic Affairs, Government of India (GoI). Given the nature of project activities, the AF will use the Investment Project Financing (IPF) instrument using traditional input financing. The **DLIs** approach in original project has significantly contributed in bringing policy level changes related to institutional reform such as introduction of technical cells in the directorate, implementation of personal information system, regularization of facility level reporting etc. The activities under AF are leaning towards input-based financing and has limited scope for **DLIs**.

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
