WB-P167843

Additional Financing For Dasu Hydropower Phase I Project (Transmission Line)

Quick Facts

Countries	Pakistan
Specific Location	Province of Khyber Pakhtunkhwa, Province of Punjab
Financial Institutions	World Bank (WB)
Status	Proposed
Bank Risk Rating	A
Voting Date	2020-03-31
Borrower	Government of Pakistan - Ministry of Water Resources
Sectors	Hydropower
Investment Type(s)	Loan
Investment Amount (USD)	$ 700.00 million
Project Cost (USD)	$ 782.10 million

Project Description

According to bank documents, "the overall project development objective is to facilitate the expansion of electricity supply of hydro-power in Pakistan.
The Project would also improve access to socio-economic services for local communities in the project area and build WAPDA’s capacity to prepare future hydropower projects.
This would be achieved by installing a 2,160 MW hydropower plant on the main Indus River, which can be expanded to 4,320 MW in future at very low cost.
The Project is a “high-risk-high reward” operation aimed at providing low cost non-carbon renewable energy."

Investment Description

- World Bank (WB)

World Bank Group Financing

International Bank for Reconstruction & Development (IBRD) $700M

Co- Financing

Borrowing Agency $82.10M

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
