### **Project Description**

The project seeks to improve access to urban infrastructure and to improve integrated urban planning in the project cities. A combination of structural and non-structural investments is proposed to support the achievement as improving the access to urban infrastructure and integrated urban planning and management in the project cities. There are 2 project components:

Component 1: Structural Investments - Rehabilitation and Construction of Resilient Urban Infrastructure.

Component 2: Non-Structural Investments - Technical Assistance and Implementation Support.
