Project Description

According to bank documents, the proposed operation supports the Government of Angola (GoA) to maintain macroeconomic stability and to lay the

foundations for private sector-led economic diversification to create a more inclusive growth model.

This operation is the second Development Policy Financing (DPF) in a series of three. The operation is organized around two pillars, each including several policy areas. DPF2 maintains the same pillars and policy areas as DPF1:

- Pillar 1: Strengthening the macro-financial and institutional environment. Policy areas are: strengthening debt and natural resource management for fiscal sustainability (1.1); strengthening financial sector resilience (1.2); strengthening management and commercial viability of SOEs (1.3); supporting pricing and subsidy reform for financial sustainability and effective service provision (1.4); and leveling the playing field for private investment (1.5).
- Pillar 2: Protecting the poor and vulnerable. Policy areas are: protecting the poor and vulnerable from shocks (2.1); and increasing access to finance (2.2).

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: <http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx>.
