| Project Cost (USD)      | \$ 0.80 million                               |

---

## Project Description

The Project Development Objective is to enable an Africa-based centre of technical competence and excellence to raise awareness and build the capacity of governments actors, planners and private developers in Africa to integrate climate change in project planning and design, with a view to enhance opportunities for attracting funding from both development and climate finance sources.

## ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing [ipanel@worldbank.org](mailto:ipanel@worldbank.org). You can learn more about the Inspection Panel and how to file a complaint at: <http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx>.
