Project Description

At the time of disclosure, no project description or documents were made available. Please check the World Bank disclosure link for updates.

This project involves additional financing for the PARENT PROJECT, Ethiopia Growth and Competitiveness (project number P168566). The development objective of the parent project is structured around three strategic pillars: (i) maximizing finance for development; (ii) boosting competitiveness through a better environment for the private sector; and (iii) enhancing public transparency and accountability to promote good governance.

This project involves Development Policy Financing.

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: https://www.inspectionpanel.org.
