| Investment Amount (USD) | \$ 40.60 million   |
| Project Cost (USD)      | \$ 40.60 million   |

### Project Description

According to the Bank's website, the project provides financing to Georgia's Ministry of Finance to fund infrastructure investments including provision of works, goods and consultant's services to rehabilitate and expand priority municipal services and development of institutional capacity and performance of all municipalities across the country.

The project implies financing existing roads, communications systems, water supply, and wastewater collection systems, wastewater treatment plans, municipal markets and other infrastructure.

## ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing [ipanel@worldbank.org](mailto:ipanel@worldbank.org). You can learn more about the Inspection Panel and how to file a complaint at: <https://www.inspectionpanel.org>.
