## Project Description

According to the bank document, the project aims to support the Rebuild Kerala Initiative for enhancing the State’s resilience against the impacts of natural disasters and climate change. Project key results will include: (i) satisfactory implementation of major recovery activities in line with the RKDPat the State and local levels; (ii) enhanced institutional and financial capacity of the State for managing disaster risks and climate change (e.g., effective emergency preparedness and response, effective coordination on disaster risk reduction and climate change adaptation across sectors, integrated water resources management, urban resilience, diversified sources of funding for resilient recovery); and (iii) enhanced resilience of critical infrastructure and services in Kerala (e.g., resilient and quality water supply and sanitation services, resilient transportand roads, climate smart agriculture).

## ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
