#### Modernization of Public Financial Management Systems in Mexico

#### **Project Description**

The proposed Project aims to expand the coverage and strengthen the coverage, quality, timeliness, transparency and use of the public financial information in Mexico through the strengthening of the integrated management of three key areas linked to the expenditure cycle: (1) the consolidation of integrated public financial management methods and practices within core financial management functions; (2) the strengthening and integration of decentralized administrative functions; and (3) the strengthening of the national public investment management system.

#### ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
