### Project Description

According to bank documents, "The proposed program will support projects to improve the people access to water sources and sanitation services in selected areas in Afghanistan. The activities included under the proposed phase 1 project are targeting priorities for improving access, quality and reliability of water supply services, reducing water demand and NRW, optimizing operating costs with the objective to improve the AUWSSC and Kandahar Strategic Business Unit (KSBU)'s performance. The proposed project will include four components: Component 1: Water Supply Infrastructure and Efficiency Improvements; Component 2: Sector Reform, Institutional Strengthening, and Capacity Building; Component 3: Project Management and Monitoring; and Component 4: Contingent Emergency Response Component."

## ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing [ipanel@worldbank.org](mailto:ipanel@worldbank.org).

You can learn more about the Inspection Panel and how to file a complaint at:

<http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx>.
