Status	Proposed
Bank Risk Rating	U
Voting Date	2019-12-02
Borrower	Government of Nepal
Sectors	Agriculture and Forestry
Project Cost (USD)	\$ 24.00 million

Project Description

According to bank document, the project's objective is "to improve sustainable forest management; and increase benefits from forests and to address climate change in selected landscapes in Nepal."

The proposed project will build on the following three premises: (i) while community-based forest management is a proven concept for managing forests for conservation and subsistence it has also the potential to meet Nepal's demand for timber and increase income through the promotion of sustainable forest management; (ii) to meet Nepal's demand for quality timber (sawn log) and non-timber forest products (through value-addition), small and medium forest-based enterprises need to be developed; and (ii) to make informed decisions on (i)-(ii), the new structures and institutional arrangements emerging from the federalization process need to fully understand and be able to fulfill their new roles and responsibilities related to natural-resources management, including forests.

The project will have 4 components: 1) Policy and capacity building support for new federal structures on sustainable forest management 2) Community-based sustainable forest management 3) Forest enterprise development 4) Project management, monitoring and learning

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org.

You can learn more about the Inspection Panel and how to file a complaint at:

<http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx>.
