Project Description

The proposed project objective is to enhance public financial management by strengthening (a) revenue mobilization, (b) expenditure management and control, and (c) fiscal decentralization.

The project has three components:

1. Strengthen capacity for revenue management aims at 1) improving tax policy analysis and formulation and 2) enhancing the efficiency of tax collection and management. This component will finance technical assistance to AT and MEF-DEEF.
2. Strengthen capacity for expenditure management aims at 1) strengthening the efficiency and transparency in cash management, 2) improving the expenditure chain, 3) enhancing procurement performance and 4) improving the quality, comprehensiveness and use of budget reporting. This component will finance technical assistance to support MEF directorates, UFSA and UGEAs, IGF, and sector ministries.
3. Strengthen capacity for fiscal decentralization aims at strengthening i) policies, legislation and institutions and ii) enhancing fiscal transfers and budget management at subnational level. This component will finance technical assistance to MEF and subnational entities.
