Project Description

According to the Bank's website, this project aims to improve the policy framework and institutional capacity for Water Supply and Sanitation service delivery in Albania. This would entail:

1. Strengthening the national framework, which would focus on the national sector framework and national policies and programmes

2. Improving access to, as well as quality and efficiency of Water Supply and Sanitation services throughout the country

3. Designing and launching a Water Supply and Sanitation utility aggregation / regionalisation programme

Investment Description

- World Bank (WB)

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
