Project Description

According to the bank document, the program development objective of this programmatic operation is to support financial sector reforms that will assist the Government of Indonesia (GoI) in achieving a deep, efficient and resilient financial sector. This programmatic DPL series is structured around the following three pillars and set of objectives:

• Pillar A: Increasing the Depth of the Financial Sector. Pillar objectives: to expand the size of the financial sector through increasing outreach, broadening financial market products and mobilizing long-term savings.

• Pillar B: Improving the Efficiency of the Financial Sector. Pillar objectives: to lower the costs for individuals and enterprises through a reliable insolvency and creditor rights regime, consumer and data protection and interoperability of payment systems.

• Pillar C: Strengthening the Resilience of the Financial Sector. Pillar objectives: to strengthen the capacity of the sector to withstand financial and non-financial shocks through sustainable finance practices, a harmonized legal framework, and a stronger resolution framework.

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at:
http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
