Investment Amount (USD)	$ 25.00 million
Loan Amount (USD)	$ 25.00 million
Project Cost (USD)	$ 28.50 million

Project Description

According to the bank document, the project aims to strengthen maintenance systems to improve reliable road connectivity in Lao PDR, and to provide immediate and effective response in case of an Eligible Crisis or Emergency. As part of the Additional Finance, the Project Development Objective (PDO) is to improve climate resilience and strengthen maintenance systems for a reliable road network in Lao PDR, and to provide immediate and effective response in case of an Eligible Crisis or Emergency.

Progress towards achieving the PDO will be measured with the following Outcome Level indicators:

(a) Preparation and implementation of three-year rolling climate-resilient road maintenance plans, on an annual basis (Yes/No);

(b) Share of total provincial and district road network in Project area in good and fair condition (Percentage);

(c) Share of rural population with access to an all-season road (National) (Percentage);

(d) Share of rural population with access to an all-season road in project area (Percentage);

(e) Direct project beneficiaries (Number); and,

(f) Kilometers of road improved with climate resilience measures and receive maintenance (Kilometers).

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
