Project Description

According to the bank's documents, the proposed project aims to "create pilot cities throughout Cambodia that can demonstrate improved solid waste management performance adaptable and scalable to other cities in the country. The Project will support solid waste management policy and legislation as well as capacity development at the national level. The project will also support solid waste management policy, legislation as well as capacity development at the municipal level to better regulate and monitor the private sector waste collection companies, increasing the financial revenues from the solid waste sector to support cost recovery in the sector and increase monitoring, enforcement and citizen engagement and public awareness."

Investment Description

- World Bank (WB)

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: <https://www.inspectionpanel.org>.
