Project Description

According to the bank document, "The Development Objectiveof the Project is to improve access to opportunities for the residents of Thimphu City, and provide reliable, safe, and green urban mobility options to them along the North-South Axis of Thimphu City, as well as, the City Center.

In the long run, if implemented, the project will increase livability of Thimphu city from the transportation perspective. This will be achieved by developing a Priority Bus Service along one of the key transportation corridors in Thimphu which connects the various neighborhoods of the city and by decongesting the city center (through the pedestrianization of a main city boulevard)."

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
